

GIVE ONE

Give of your resources & time
to make a positive impact on our community
and in someone's life.

Quarterly Volunteer Projects

Each quarter, the United Way provides a way for you to give directly to those in need with Quarterly Volunteer Projects. The donated items are distributed through UW partner agencies. YLS members may participate in these projects by bringing the items to a fun, after-hours event at a local restaurant.

Year-round Volunteer Opportunities

Throughout the year, agency needs pop up. We'll call on YLS members first for help in filling these immediate needs. If you would like to volunteer on a regular basis but aren't sure where your skills can best be utilized, give us a call. The United Way Volunteer Coordinator is happy to find the right fit for you.

BE ONE

Become a leader by learning
from those who have come before, following
their paths and blazing your own.

Lunch with Leaders

Don't miss the opportunity to attend one of the quarterly luncheons with Spartanburg community leaders. The exclusive event is limited to 20 members to ensure an intimate conversational experience. The leaders will discuss their areas of expertise, their journey to the tops of their fields, and what it means to be a community leader.

UNITED AS ONE.

Celebrate coming together as
one group that is committed to changing our
community for the better for our neighbors,
our families and ourselves.
