VALUE TO THE COMMUNITY

OUR MISSION

United Way of the Piedmont fights for the education, financial stability, and health of every person in Spartanburg, Cherokee, and Union Counties. We connect, engage, and inspire people to transform our community.

Employee Engagement

Corporate social responsibility has become crucial to employee retention and recruitment. Over time, a company's CSR efforts reduce average staff turnover rates by up to 50%.¹

71%

of employees who volunteer through work report feeling better about their employer.²

United Way of the Piedmont is pleased to offer services to help employers connect, engage, and inspire their employees. From customized volunteer projects to educational experiences, we will work with you to create a meaningful volunteer experience that aligns with your corporate social responsibility goals and engages your employees.

Make an Impact

United Way of the Piedmont engages thousands of volunteers each year in meaningful volunteer experiences. Because of United Way volunteers, more than 7 million dollars in value was given back to the community in 2019.

Find an Opportunity

United Way of the Piedmont offers a free volunteer-matching website called Get Connected. Create your account today to find a volunteer opportunity that works for you!
